

LOCAL BUSINESSES

An amazing by-product of our conversation about how many businesses we needed to do article on in the Kettle Falls Focus was this list. We are reasonably sure that we have forgotten several businesses in our attempt to cover all of them. We would appreciate your help with that. So many businesses do not have offices and we may not have heard of them. Some just may have slipped our memory temporarily. Not all businesses are service related, but they support our area through their employment of our residents. Once the list was compiled, the three of us at the paper decided that this is a vital community after all. Again WOW, look at all these businesses we have in and around Kettle Falls! **"Shopping Locally ... Benefits Locally"**

BUSINESSES IN **BOLD TYPE** have been featured in the Kettle Falls Focus.
