## Kettle Falls Horizon Looking For New Board Member

by Susan Urhausen

The Kettle Falls Horizon Board of Directors is in need of a Board Member. The focus of the Horizon group is to find and support innovative ways to combat poverty in the Kettle Falls area. While anyone is welcome to attend the Horizon Board meetings, board members must reside within the Kettle Falls School District area.

Anyone interested is asked to present a letter of interest to the Horizon Board and attend a meeting. Non-board members may attend a meeting at any time, but can only participate in discussions when the meeting is open to public input. Meetings are held once

a month on the first Thursday at 5 PM at the Kettle Falls Information Center.

Letters can be sent to Board President Steve Gray, 3293 Chinabend Rd., Kettle Falls, WA 99141, or they can be presented at a board meeting.

The Kettle Falls Horizon group encourages everyone to come to meetings, and would especially love to hear from all those who attended the Horizon trainings, study circles and subsequent meetings. Even if you can't attend meetings, Kettle Falls Horizons would like to be in communication with all the former attendees. Your input is highly valued.
