

# The Chamber

## Chamber of Commerce for Kettle Falls

Submitted by Dave Hudson (Kettle Falls Chamber of Commerce President)

### CONGRATULATIONS

**Jack Sly for having the winning ticket for the shotgun and to Ken St. Pierre for winning the Mother's Day basket.**

Town & Country Days is coming up. We at the Chamber are ready to go. There will be more vendors this year and we will have games for the children. WSU raptor club will also be displaying their birds of prey. Novelist Cheryl Laser from New Jersey, who has written a novel about the old Kettle Falls Convent, will be here to sign her new book.

We want to thank all the ladies of the Columbia River Bible Church and Sherry Rosen for cleaning out all of the flower beds at the Information Center. We also want to thank Mrs. Lisa Rosen's 4th grade class for all the great work in starting flowers in their class room and then planting them in the barrels which will be placed in front of businesses on Meyers Street.

Starting June 16th, look for The David Thompson Canoe Brigade arriving for a three day stop over at the Kettle Falls Historical Center. They are tracing the route of the first white explorers to come through our area in 1811 down the Columbia from its source to the Pacific at Astoria, Oregon. There are 120-150 paddlers and support staff expected for this historic re-enactment.

Also in June is the Governor's Cup Walleye Tournament on the weekend of June 25-27. On June 26, Art in the Park will present local artisans and craftspeople sharing their talent and wares. Both of these very popular events will take place at Happy Dell Park located at the corner of Highway 395 and Juniper Street behind the Information Center.

Several Chamber of Commerce raffles are still available at the Information Center, at some Kettle Falls businesses and at City Hall. A new raffle starting this month is a Marlin 30:06 rifle with stainless steel and a Bushnell 3x9 scope. Tickets are \$5 with a limit of 500 tickets to be sold. Also available is a high-end stainless steel BBQ to be awarded to a lucky winner on Saturday of Town & Country Days at noon. All proceeds benefit the Kettle Falls Chamber of Commerce and the activities it sponsors.

...NEXT MEETING ...

Noon... June 16th ... at Northern Ale Brew Pub

## LOCAL BUSINESSES

An amazing by-product of our conversation regarding how many businesses we need to highlight in the Kettle Falls Focus was this list. We are reasonably sure that we have forgotten several businesses in our attempt to cover all of them. We would appreciate your help with that. So many businesses do not have offices and we may not have heard of them. Some just may have slipped our memory temporarily. Not all businesses are service related, but they support our area through their employment of our residents. Once the list was compiled, the three of us at the paper decided that this is a vital community after all. Again WOW, look at all these businesses we have in and around Kettle Falls! **"Shopping Locally ... Benefits Locally"**

### BUSINESSES IN BOLD TYPE

have been featured in the Kettle Falls Focus.
