

# The Chamber

## Chamber of Commerce for Kettle Falls

Submitted by Dave Hudson (Kettle Falls Chamber of Commerce President)

Spring is in the air. There are a lot of things going on with the Kettle Falls Chamber of Commerce. We are all getting excited now that the weather is warming up.

The Town and Country Days committee held a meeting at Karri Slater's house. The committee is looking for donations to build game booths for children and volunteers and vendors for this community celebration. Applications for vendors are available now at the Information Center; those needing electricity should apply soon, availability is limited. The Information Center is on the corner of Highway 395 and Juniper Street, can be reached by mail at POB 119, Kettle Falls, WA 99141, or online at [www.kettlefalls.org](http://www.kettlefalls.org).

The Kettle Falls Chamber has been conducting several raffles recently to raise money. The quilt raffle is done, with Bob from Deer Park as the winner. Congratulations Bob! We currently have a Mother's Day Spa Basket and a Father's Day 'basket' up for raffle. The Mother's Day basket contains a back massager, bath sheets, bath salts & pillow, candles and much, much more. Dad's 'basket' is a wheelbarrow with a rake, hoe, shovel and more. The Mother's Day Basket drawing is May 8th, and the Father's Day barrow will be drawn on June 18th. Tickets for both are available at the Information Center, AJ's Espresso and Little Gallea Restaurant.

Tickets for the high-end stainless steel BBQ big raffle are still available. Tickets are available at the above locations. The drawing for this nice piece of equipment will take place at Town & Country Days. We would like to thank Big R for their support. Remember, all proceeds from these raffles go to the Kettle Falls Chamber of Commerce.

The Kettle Falls Chamber of Commerce met with the Lake Roosevelt Walleye Club at their April meeting. The Chamber was happy to make a contribution to the Walleye Club for their up-coming tournament in June.

Shiloh Heritage farms, on behalf of the Chamber donated pork to the Eagles in Colville and to the Kettle Falls Food Bank. The Eagles were able to raise funds during a recent auction using the donated pork as an auction item. We hear the auction was a great success. The Kettle Falls Food Bank will use the donated pork for distribution to their clients. The Chamber would like to thank the food bank and their volunteers for all they do for our community. We are proud to have them as a Chamber member. Thanks also to Smoky Ridge Meats in Chewelah for processing the pork.

**UPDATE:** The Blue Moose Cabins are under new management by Marty and Willie Martin. The phone number is (509) 738-6950 or you can call (509) 690-4937.

Thank you from the Chamber & volunteers.

...NEXT MEETING ...  
Noon... May 19th ... at Northern Ale Brew Pub

## LOCAL BUSINESSES

An amazing by-product of our conversation regarding how many businesses we need to highlight in the Kettle Falls Focus was this list. We are reasonably sure that we have forgotten several businesses in our attempt to cover all of them. We would appreciate your help with that. So many businesses do not have offices and we may not have heard of them. Some just may have slipped our memory temporarily. Not all businesses are service related, but they support our area through their employment of our residents. Once the list was compiled, the three of us at the paper decided that this is a vital community after all. Again WOW, look at all these businesses we have in and around Kettle Falls! **"Shopping Locally ... Benefits Locally"**

### BUSINESSES IN BOLD TYPE

have been featured in the Kettle Falls Focus.
